

Program

Tuesday 22 August 2006

1800 – 2000 **Venue: Sofitel Hotel Ballroom 2/3**
Welcome reception/Music recital and Official Congress Opening
The Honourable Anna Bligh MP Deputy Premier, Treasurer and Minister for State Development, Trade and Innovation

Wednesday 23 August 2006

0800	Venue: Registration Lobby Congress registration	
0900	Venue: Ballroom 2/3 and Foyer <i>Welcome presentation</i> Jan Massey Congress Convenor	
0915	Venue: Ballroom 2/3 Chair: Professor Jennifer Graves Director, ARC Centre for Kangaroo Genomics, Head, Comparative Genomics Research Group, Research School of Biological Sciences, The Australian National University, Australia Session sponsored by Queensland Government <i>Internationalisation of research: Major issues and opportunities for the decade</i> Professor Peter Andrews Queensland Chief Scientist, Australia	
0950	<i>The cervical cancer vaccine: A success story</i> Professor Ian Frazer 2006 Australian of the Year and Director, Centre for Immunology and Cancer Research, The University of Queensland, Australia	
1030	Venue: Ballroom 1 and foyer Morning tea	
1100	Venue: Ballroom 2/3 Managing stakeholder expectations in joint ventures Chair: Dr Roland Scollay Chief Executive Officer, Metabolic Pharmaceuticals, Australia <i>Strategic positioning: Acting locally, thinking globally</i> Carmen Charette Senior Vice-President, Canada Foundation for Innovation, Canada <i>Human resource development for researchers in the European Research Area: Issues, strategy and policy</i> Georges Bingen Head of Unit – Strategy and Policy, Directorate-General for Research, European Commission, Belgium <i>Pre-nuptials and Post Mortems</i> Dr Bruce Cornell Chief Scientist, Ambri Limited, Australia	
1230 – 1400	Venue: Ballroom 1 and foyer Lunch	
1300 – 1400	Venue: Ballroom 3 Body of Knowledge seminar Chair: Michael Owen Associate Vice-President Research and International Development, Brock University, Canada Sandra Nordahl SRA, Manager, Sponsored Research Administration, San Diego State University Research Foundation, United States of America	Venue: Ballroom 1 foyer Poster presentations
1400	Venue: Ballroom 2 Complex partnerships: International connections Chair: Professor Peter Holmes Pro Vice-Principal and formerly Vice-Principal for Research, University of Glasgow, United Kingdom Session sponsored by Group of Eight <i>The importance of philanthropy in the development of research institutes</i> Professor John Hay Vice-Chancellor, The University of Queensland, Australia <i>Samsung Medical Centre's strategy on Global Health Care System and clinical research</i> Dr Byung-in Choe Director, Office of Strategic Planning & Policy, Samsung Medical Centre, Seoul, Republic of Korea <i>Global ideas and networks: Opportunities and challenges in the international science arena</i> Professor Ove Hoegh-Guldberg Director – Centre for Marine Studies, The University of Queensland, Australia	Venue: Ballroom 3 Professional development for researchers and research managers Chair: Carmen Charette Senior Vice-President, Canada Foundation for Innovation, Canada Session sponsored by the National Research Flagships program of CSIRO <i>Developing and implementing research strategies and policies</i> Dr Ian Carter Chair, ARMA & Director of Research, University of Liverpool, United Kingdom <i>Realising impact through innovation: Reform to drive innovation in R&D Enterprises</i> Allen Kearns Deputy Chief, Business Integration, CSIRO Sustainable Ecosystems, Australia <i>Planning for success</i> Lynne Chronister Assoc. Vice Chancellor for Research University of California, United States of America
1530	Venue: Ballroom 1 and foyer Afternoon tea	

Wednesday 23 August 2006 cont'd

- 1600 **Complex partnerships (cont.): Global linkages to promote collaboration**
Session sponsored by the Australasian Research Management Society
Chair: Dr Shuzaburo Takeda Business University Forum Japan
The importance of global linkages
Dr David Lynn Head of Strategic Planning & Policy, The Wellcome Trust, London, United Kingdom
Global links: Global issues
Professor John Kaldi Program Manager CO2CRC Australia Chair of Geosequestration, Australian School of Petroleum, Australia
Three keys to successful global partnerships: Relationships, travel and focus
Dr Roland Scollay Chief Executive Officer, Metabolic Pharmaceuticals, Australia
- Professional development (cont.): What makes an effective research leader?**
Chair: Dr Fiona Wood University of New England, Armidale, Australia
Is there a 'Women's way' of doing science?
Professor Jennifer Graves Director, ARC Centre for Kangaroo Genomics, Head, Comparative Genomics Research Group, Research School of Biological Sciences, The Australian National University, Australia
Managing for successful outcomes: Challenges facing a research leader
Professor Richard Bedford Convenor, Migration Research Group and Director, Building Research Capability in the Social Sciences, University of Waikato, New Zealand
Recruiting and retaining the best
Professor John Mattick ARC Federation Fellow, formerly Director, Institute for Molecular Bioscience (IMB), The University of Queensland, Australia

Thursday 24 August 2006

- 0900 **Venue: Ballroom 2/3**
Responsible research practice across international boundaries
Chair: Georges Bingen Head of Unit – Strategy and Policy, Directorate-General for Research, European Commission, Belgium
Misconduct in research and international impact
Dr Christine Boesz Inspector General, National Science Foundation (NSF), United States of America
Public and private sector responses to responsible research practice
Dr Marjorie Speers Executive Director, Association for the Accreditation of Human Research Protection Programs (AAHRPP), United States of America
Engagement through multilateral forums
Dr Miriam Goodwin Senior Advisor, Science Policy & Planning, Australian Nuclear Science and Technology Organisation (ANSTO), Australia
- 1030 **Venue: Ballroom 1 and foyer**
 Morning tea
Sponsored by the Australian Research Council
- 1100 **Venue: Ballroom 2/3**
Measuring research quality and impact: Implications for research managers
Chair: Professor Peter Høj Chief Executive, Australian Research Council, Australia
Post RAE: Implications for British Universities
Professor Peter Holmes Pro Vice-Principal and formerly Vice-Principal for Research, University of Glasgow, United Kingdom
Managing research quality and research capacity development in a developing country
Professor Cheryl de la Rey Deputy Vice-Chancellor (Research and Innovation), University of Cape Town, South Africa
Increasing the impact of research – making scientific knowledge more than just a commodity product
Professor Gary Jones Chief Executive, eWater CRC, Australia
- 1230 **Venue: Ballroom 1 and foyer**
 Lunch
- 1330 **Venue: Ballroom 2**
Ethical issues: Humans and other animals
Chair: Sianna Panagiotopoulos Manager, Endocrine Centre of Excellence, Austin Health, University of Melbourne, Australia
Research Managers: Applying the ethical principles
Ada Sue Selwitz Director of Research Integrity; Adjunct Associate Professor, Behavioral Sciences, College of Medicine, University of Kentucky, United States of America
Stem cells and potential cellular therapies: What is ethical and what does it mean for science practice and outcomes **Prof Melissa Little** NHMRC Principal Research Fellow, Institute for Molecular Bioscience, The University of Queensland
Shylock's challenge
Dr Simon Longstaff Executive Director, St James Ethics Centre, Australia
- Venue: Ballroom 3**
Evaluation of research
Chair: Dr Nina Kancewicz-Hoffman Scientific Secretary in the CEO Unit, European Science Foundation, France
Session sponsored by the Australian Research Council
Views on peer review
Professor Peter Høj Chief Executive, Australian Research Council, Australia
An economic viewpoint
Professor Mike Woods Commissioner, Productivity Commission Australia
Evaluation futures and policy pressures
Professor Chris Caswill Visiting Professor, University of Exeter, United Kingdom
The role of compliance plans in evaluation
Dr Christine Boesz Inspector General, National Science Foundation (NSF), United States of America

Program cont'd

Thursday 24 August 2006 cont'd

1530 – 1600 **Venue: Ballroom 1 and foyer**
Afternoon tea

1545 – 1730

Venue: Ballroom 3

Research management for new and emerging research institutions

Facilitator: Dr Cliff Studman Senior Advisor for Performance Based Research Fund, Tertiary Education Commission, New Zealand and Director, Pie Squared Consultants Pty Ltd

Marilet Sienaert Director, Research Office, University of Cape Town, South Africa

Research management in the developing Countries: The case of Bangladesh Agricultural University

R. I. Sarker Director, Bangladesh Agricultural University Research System (BAURES), Bangladesh

Managing research at a multi campus, regional University in a development environment: The case of the University of the West Indies

Gale Hall Research Officer, Office of Research, Cave Hill Campus, University of the West Indies, Barbados

Revitalizing research management in an African University – a success story of Islamic University in Uganda

Mouhamad Mpezamihigo Vice Rector (Academic Affairs) and Chairman Research Coordination Committee: Islamic University in Uganda (IUIU), Uganda

The development of publication writing skills and publication opportunities: A case study in the management of research development

Laetus O.K. Lategan Dean, Research and Development, Office for Research and Development, Central University of Technology, Free State, South Africa

1600 – 1615 **Venue: Ballroom 2**
Poster competition award

1615 – 1730 **Venue: Ballroom 2**
Research and media: A symbiotic relationship?
Facilitator: Peter Thompson Centre for Leadership and Australian Broadcasting Commission, Australia
Dorothy Illing *The Australian*
Peter Roberts Managing Editor, *Business Review Weekly*, Australia
Dr David Lynn The Wellcome Trust, London, United Kingdom
Colleen Clur Compass Communications Group, Australia

1930-2330 **Venue: The Sofitel Brisbane Ballroom 2/3**
INORMS Congress Dinner
Speaker: **Adam Spencer** Freelance Science Commentator/Comedian
Entertainment: **Odyssey**

Friday 25 August 2006

0800 **Venue: Odeon Room**
Australasian Research Management Society AGM including breakfast

Venue: Ballroom 1
The Australian research quality framework: What we know about it and likely issues
Chair: Tony Sheil Executive Officer, Innovative Research Universities Australia
0900 *Research Quality Framework for Australia*
Leanne Harvey Branch Manager, Research Systems Branch, Innovation and Research Systems Group, Department of Education, Science and Training, Australia
0915 *Potential implications of the RQF: Monash perspective*
Professor Edwina Cornish Deputy Vice-Chancellor (Research), Monash University, Australia
0945 *The implications of RQF on University industry engagement*
Professor Arun Sharma Deputy Vice-Chancellor (Research), Queensland University of Technology, Australia

Venue: Ballroom 1
Chair: Janet Dibb-Smith Director, Research Quality Framework, The University of Adelaide, Australia
1015 **National Research Flagships** – one of the largest scientific research programs ever undertaken in Australia
Dr Richard Head Director Preventative Health Flagship, CSIRO, Australia
Sponsored by the National Research Flagships program of CSIRO

Program cont'd

Friday 25 August 2006 cont'd

1045	Venue: Ballroom 1 foyer Morning tea		
1105	Venue: Ballroom 1 Strategies for career development – different perspectives Chair: Sandra Nordahl Manager, Sponsored Research Administration, San Diego State University Research Foundation, United States of America <i>Mentoring early career researchers</i> Professor Julie Owens Head, School of Paediatrics and Reproductive Health, Faculty of Health Sciences, University of Adelaide, Australia <i>I've never had a Mentor: Mentors have been very important to me</i> Professor Alan Lawson Dean, Graduate School, The University of Queensland, Australia <i>European Science Foundation: Catalysing the advancement of European research</i> Dr Nina Kancewicz-Hoffman Scientific Secretary in the CEO Unit, European Science Foundation, France	Venue: Concorde Room Managing hospital based research Facilitators: Dr Mark Bowles and Robert Hanlon <i>Introduction</i> Dr Mark Bowles Scientific Manager, Mater Medical Research Institute, Australia <i>Universities and their affiliated hospital based research institutes. Successful partnership models</i> Robert Hanlon Chief Operating Officer, Ottawa Health Research Institute, Canada <i>Collaborating with universities and other agencies: A legal perspective</i> Tania Kearsley Senior Associate FAL-Commercial and Technology Lawyers, Australia <i>The A to B of cell therapy clinical trials: How to translate a laboratory study into Phase I clinical trials</i> Dr Frank Vari Project Team Leader – Clinical Trials, Mater Medical Research Institute, Australia <i>Working from the inside: Creating and sustaining research opportunities in health service environments</i> Dr Sarah Winch Director of Nursing Research, Princess Alexandra Hospital, Australia <i>Wrap-up</i> Robert Hanlon Chief Operating Officer, Ottawa Health Research Institute, Canada	Venue: Bastille Room Funding agency presentations Chair: Campbell Thomson Director, Research Services, The University of Western Australia <i>Australian Research Council (ARC) strategic directions</i> Dr Mandy Thomas Executive Director, Humanities and Creative Arts, Australia National Health & Medical Research Council (NHMRC), Australia Professor Warwick Anderson <i>The Strategic Research Directions of CSIRO</i> Dr Ron Sandland Deputy Chief Executive, CSIRO, Australia
1230	Venue: Ballroom 1 Debate: Research managers just get in the way Facilitator: Professor Peter Cryle Director, Centre for the History of European Discourses, The University of Queensland, Australia <i>Affirmative</i> Beryl Morris Chief Executive Officer, Australian Centre for Complementary Medicine, Mater Misericordiae Hospital, Australia <i>Negative</i> Bradley Smith Executive Director, Federation of Australian Scientific and Technological Societies (FASTS), Australia		
1315 – 1330	Venue: Ballroom 1 Summary Dr John Kirkland Deputy Secretary-General (Development), Association of Commonwealth Universities, United Kingdom and Tony Hill President, ARMS, and Capital Hill Consulting		
1330 – 1430	Ballroom 1 foyer Lunch
